## Chit Chat

November 2022

### From our President

We held our annual Novice Congress on Friday 28 th October. We had 15.5 tables and 19 players who are Maylands members. Ilda Martin and Rosemary Fautleroy won the plate event, Peter Bekink with a non-Maylands partner finished second in the main event and Gloria Worthington and Graeme Wright were the highest finishing all Maylands pair in the main event, finishing fourth. The event went very smoothly and there were a lot of compliments from players. Rosemary Cant was the event co-ordinator, so a job well done, and Colleen Prosser and David Croft, who were not playing, spent the day at the club to keep things running smoothly. Lots of other Maylands members came in early to help set up the room, stayed late to help clean up and brought in lovely morning tea items. Thanks to all concerned.

Don't forget it is the AGM for the club on Monday 14 th November. We need 20 members to attend in order to have a quorum, so please do come to the meeting. As well as the usual items we will be discussing the current Committee decision to prioritise finishing bridge sessions on time over other items such as the equity of the movement. Trying to avoid 4 or 5 board sitouts, keeping things easy for our less mobile members and retaining an afternoon tea break are all factors to be managed too.

Happy bridging  
Linley
